

VirginiaTech

College of Science

**Bradley Department of
Electrical and Computer Engineering**
302 Whittemore Hall
Virginia Tech
Blacksburg, VA 24061-0111

To FCC:

We would like to request a waiver of the application of STA license fee since we are a public education institute. The project has an education component where the radios will be part of the education program of the university.

Sincerely,

Yaling Yang

Associate Professor

Electrical and Computer Engineering Department

Virginia Tech
